"I have no problem with this conclusion. However, I have heard from several directions that we tend to overpay for weapons and would like to see a systematic look at the market, alternative sources and our buying positions."

The look
more like OL
problem to me.

5-9: Pls be sure
OL gets this requirement.

NOTE FOR: Director of Central Intelligence

VIA: Executive Secretariat

1. Our paramilitary folk were interested in exploring [] possible value to us. Security, unfortunately, has some [] info and, therefore, waved us off.

2. A further complication is that [] according to his statements to the press, is now a naturalized [] This would require us to clear and coordinate with the [] were we to make operational use of him.

3. On balance, the complications of using [] outweigh the possible gain.

John -
I have no problem with this conclusion. However, I have heard from several directions that we tend to overpay for weapons & would like to see a systematic look at the market, alternative sources & our buying practices
